

# SUPPORT STUDENTS IN LEADING AND TAKING ACTION

Become a Bezos  
Scholar Educator  
—become the  
leader we need.

The **BEZOS SCHOLARS PROGRAM** is a year-long leadership program that amplifies youth voice and action. Students nominate a staff person from their school as their Educator. Educators will travel to the Aspen Ideas Festival for an all-expenses-paid trip, fully participate in the program, and collaborate to launch a student-led Community Change Project.\*

Build on your student advocacy skills, reignite or deepen your passion for your field, and support students in making a meaningful difference in your community.

\*Trip plans will be determined closer to the departure date and if unable to safely travel, engaging virtual programming will be offered instead.

- 1** Amazing week in Aspen kicking off a year of inspirational leadership development
- 13** Visionary educators selected annually
- 17** Exceptional students selected annually
