SUPPORT STUDENTS IN LEADING AND TAKING ACTION

Become a Bezos Scholar Educator. Become the leader we need.

The Bezos Scholars Program is a year-long leadership development program that **amplifies youth voice and action.**

Students nominate a school staff person who will fully participate in the program alongside them to launch a community change project. This includes an all-expenses paid trip to experience **Aspen Ideas Festival** June 23-June 29, 2027.

Build on your student advocacy skills, reignite or deepen your passion for education, and **support students** in enhancing their leadership and improving your community.
